

**23 February 2011**

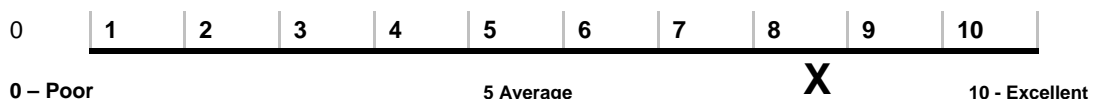

**Aims**

**Mental Health 2  
Medico-Legal and Ethical Aspects**

- Demonstrate sufficient knowledge of the Mental Health Act
- To undertake responsibilities of a GP.
- To gain an understanding of the Mental Capacity Act

**Comments / Feedback**

- Useful. Perhaps more care related information.
- Concise, well presented facts. More interaction. More original way of putting information across.
- Nicely presented. Could have been more interactive.
- Helpful. Knew subject. Relevant and concise.
- Could have been more interactive. Informative. Made presentation directed towards GP application.
- Good presentation. Mental Health Act, detailed and explicit.
- Made it enjoyable. Quiz good and interactive.
- Good information on Mental Health Act/MCA which refreshed laws etc.
- Very useful going over each section of Mental Health Act.
- Very informative and well-presented. Made a 'limited' subject quite interesting and relevant to General Practice! Thank you.
- Very useful presentation. Case discussions always interesting.
- Good and useful.
- Good session, useful for AKT. Not too complex. Small group cases very useful.
- Good.
- Really good summary of Mental Health Act.
- Good presentation. Better clarification of section 117 would have been helpful, but overall very informative. Thank you.
- Good recap of Mental Health Act. Good cases to discuss afterwards.
- Boring topic made relevant and very well presented.
- Good presentation.
- Excellent overview of Mental Health Act.
- Good presentation – very useful, especially the role of the GP bit.
- Very good content presentation. Would have benefited from an interactive section on the Mental Capacity Act.
- ST3 – Good discussion of case problem, useful to share problems with those at similar stage of training.
