(please circle)

15 May 2008

Aims / Objectives:

To learn about Health & Safety in Primary Care

Trouble shooting for the E.portfolio/Interesting cases and Video

Comments / Feedback

Useful to cover, Health & Safety. Nice to feedback re problem cases.

Improved awareness of Health& Safety responsibilities.

Useful and interesting.

Very interesting discussion.

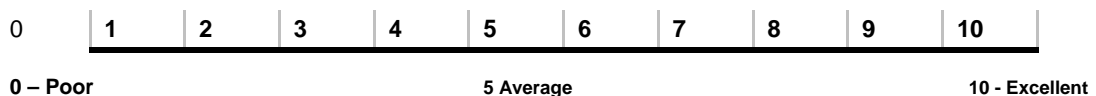

Useful talking about cases.

Always useful to discuss about cases. Health & Safety useful to cover.

Good overview.

Good Health & Safety talk – important to have regular eportfolio sessions.

Knowledge gained on your responsibilities with respect to Health & Safety. Has been covered a lot previously (seen talk previously as FY2). Dry subject.

Name (Optional)
