## Aims: / Objectives:

### Allergies

## Comments / Feedback

Allergy – very well done. Would like the allergy rhinitis follow up.  
 Excellent presentation of allergy, very interesting.  
 Very good.  
 Very informative presentation on allergy.  
 Excellent session on allergies and skin prick test.  
 Good acne talk, very helpful.  
 Useful.  
 Very good speakers – very knowledgeable. Useful for GP in the future.  
 Very useful session on allergy. A good overview.  
 Allergies – Very useful for GP – Primary Care, criteria for referral.  
 Acne – good. Did not answer my question!  
 Useful. Wish we had more time.  
 Useful talk.  
 Nice talk from professionals of allergy service and when to refer.  
 Very good, informative. Good demonstration.  
 Very good topic.  
 Very useful, well delivered.  
 Very useful discussion on a broad topic, which will stimulate further reading.  
 Very useful discussion about kids and peanut allergy.  
 Good presentation. Very interesting and informative. Learnt a lot. Liked the practical demonstration of skin prick testing.  
 Very useful.  
 Good speakers, relevant to GP.  
 Good session, very useful. Learnt a lot.  
 Very good talk. Lots of useful and interesting points and a topic that often gets neglected.  
 Group session good run through COPD.
