- Discuss common ethical problems in GP**

**Comments / Feedback**

Good cases for interaction. Powerpoint well explained rather than just reading out the powerpoints.  
 Presentation was good. Information explicit. Well illustrated examples.  
 Good model/pillars of ethics concept. Good scenarios and discussions. Generated interesting topics.  
 Covered principles well – explained thoroughly. Active asking of audience for own experiences good as easy to relate to real life events.  
 Very good. Good summary of common elements of ethical principles. Good use of cases to find out how to apply.  
 Very good. Informative. Useful.  
 Useful session. Good to revise ethical principles.  
 Good teaching topic to encourage discussion. Discussing scenarios were a useful way to share views and learning experiences. Many thanks.  
 Good.  
 Good interactive session. Not too in-depth.  
 Thought provoking session on ethics.  
 Good/relevant information. Discussed cases useful. Small group session discussion useful.  
 Good group work – stimulated discussion. PDP information useful.  
 Boring topic. Did not get any extra than what I already know. I was expecting more cases and scenarios, to make the session sound better.  
 Well done.  
 Good presentation of a difficult topic. Good cases to stimulate discussion. Topic been covered widely.  
 Good summary.  
 Excellent cases. Good review.  
 Good scenarios.  
 Good.  
 Informative with beneficial group work. Maybe could have added questions/quiz/printed information.  
 Good way of going over familiar work. Good discussions around cases.  
 Good interesting cases.  
 Very good, well presented. Nice small groups.  
 We were treated to a wealth of information on ethics.  
 Very good session and useful cases in small group.  
 Interesting presentation on teaching styles in second session.
